

CLO-CLO Vegan Foods Provides for an Exquisite Nibble

EDINA, Minn.--CLO-CLO® Vegan Foods is unveiling new frozen vegan cauliflower & sweet potato breadsticks. The newest portfolio addition is available in three delicious flavors: cauliflower, cauliflower with garlic & oil and a sweet potato with sugar & cinnamon. With more of us cooking and eating at home than ever before, we have an inclination to give families the alternative to cherish their favorite meals without worry for food allergies or intolerances, while still meeting their dietary and lifestyle needs.

“The plant-based frozen food sector continues to slingshot up. We’re incredibly excited to expand CLO-CLO’s presence in the frozen food aisle with the launch of our vegan Breadsticks. Whether it’s a quiet night in, hosting a group of family and friends for pasta night or a kid’s lunch at school, CLO-CLO Breadsticks are a fast and fun way to entertain and satisfy everyone’s hunger while being allergen & environmentally friendly,” said Wendy Hinnenkamp, Co-founder, CLO-CLO Vegan Foods, LLC.

“Breadsticks are a staple in American restaurants, and now it’s even easier to bring a healthy solution into the home with CLO-CLO’s veggie dipping sticks. The perfect way to add more veggies to an appetizer, kids’ lunch or family meal,” said Chef Robert, Executive Chef, CLO-CLO Vegan Foods, LLC.

All three breadsticks are made without the top 9 allergens’ (dairy, egg, soy, shellfish, fish, peanuts, gluten, sesame, & tree nuts) with zero cholesterol & zero trans-fat per serving.
